About Us

About Pinaacle

Pinaacle is an ISO 9001:2015 & ISO 27001:2013 certified global HIS software provider with reliable and quality value added services to enable customers to focus on the core business aspects. Pinaacle is headquartered in Bangalore (India) and have customer and business operations in United States and Europe.

Pinaacle is a pioneer in providing health care software and associated services to worldwide clients. Since Pinaacle provides the end2end solutions including Web Hosting, Cloud Hosting, Dedicated Hosting, Payment Gateway integration and managed services, all the HIS projects are delivered on fast mode of delivery. R&D unit of Pinaacle is situated under Software Technology Park of India and have been recognized by Govt of India.

About MedStar

MedStar is an advanced Health Information & Management System, which can integrate all the HIS systems, processes and machines to an intelligent information system to derive operational efficiency and assists organizations in decision making through MIS & analytics.

Features of **MedStar** are highly competitive, scalable and un-compare with any conventional HIS software's in the market. It works seamlessly with all the mobile devices and artificial business intelligence & analytics capabilities makes it unique, while process flows are completely NABH compliant.

Awards & Achievements

- ❖ ISO 9001:2015
- ❖ ISO 27001
- ❖ Silicon India Award
- ❖ Company of the Year 2016 - CEO review (Health Care)
- ❖ Star of Asia Award

Solutions
